

**You Put A Spell On Me.
Petersen / Simmonds (SOCAN).**

**Ooh I could tell
Just by the way that you move yourself
You were meant for me
The way you look
Whatever magic it is you have
Put a spell on me**

**Before you go
I'd like to tell you so you will know
What you've done to me
You passed me by
And in that moment
you caught my eye
Put a spell on me**

**Don't go, don't go
Save goodbye until we say hello
We only met a moment ago
And I can't let you walk away so easily
You put a spell on me**

**Ooh I could tell
Just by the way that you move yourself
You were meant for me
The way you look
Whatever magic it is you have
Put a spell on me**

**Don't go/ don't go
Save goodbye until we say hello
We only met a moment ago
And I can't watch you walk away so easily
You put a spell on me
You put a spell on me
You put a spell on me**
